

Vershire Planning Commission Meeting Minutes for 3/11/20 approved

In attendance: Bill Baylis-Chair, Bob Perkins, Eleanor Zue and Debra Kingsbury-Sec'y Baylis called the meeting to order at 7:05pm

Minutes for Feb. 19th, 2020 were reviewed and accepted as amended.

Discussion followed about the need for an amendment to the Development Ordinance in reference to implementing Boundary Line Adjustment requests. The VT Agency of Natural Resources posts a simple form on their website and follows a 2% rule from the giving parcel. The Commission will review this when they have full attendance at their next meeting.

Another revision to the Development Ordinance needs to address sub-division applications. There appears to be some confusion as to what the requirements are. This will also be reviewed at the next monthly meeting and then if any the Commission makes recommendations, they will go before the Selectboard as a request for approval to amend the Development Ordinance.

It was noted that Baylis had recently learned that Barre Town is currently removing ash trees in the town right of ways.

Baylis noted that the Selectboard was holding an emergency meeting to talk about the Covid-19 virus protocol tomorrow evening, 3/12 at 7PM and asked Eleanor if she might attend as a PC representative. She agreed to attend.

No other new business. Meeting adjourned at 7:47 pm.
