

Vershire Selectboard minutes for 5/21/20 APPROVED (meeting held via Zoom)

In attendance: Vernal Stone-Chair, Marc McKee, Gene Craft-Admin Asst.

Vern Stone called the meeting to order at 2:02pm. On the agenda was the question regarding when to change the meeting time for the Selectboard meeting on May 26, 2020, due to the conflict between the scheduling of the RISD School Budget vote and the Selectboard meeting on the same day and the need for one of more members of the Selectboard to be present at the RISD votes at that same time. Discussion ensued regarding the upcoming vote at Rivendell, the number of absentee ballots that had been requested and mailed by clerk at this time and the best day and time for resetting the Selectboard meeting. Vern moved to change the time of the Selectboard meeting from 7:00pm to 2:00pm on May 26, 2020. Marc McKee seconded and the motion passed by voice vote.

Meeting adjourned at 2:35pm.
