

Vershire Selectboard Minutes for 12/1/20 (Approved)

(Continuation) 11/24/20 Meeting was resumed at 7:08 via "Zoom."

In attendance: Vernal Stone-Chair, Marc McKee, Sarah Thrasher, Gene Craft, Debra Kingsbury-Sec'y, & Ken Bushey-Garage Committee.

Vernal Stone, in order to discuss a rental contract, moved that the Board enter into executive session because premature general public knowledge would clearly place the public body at a substantial disadvantage. Stone invited Craft, Kingsbury and Bushey to join in the session. McKee seconded and all were in favor. The board exited the executive session at 8:26pm with a draft lease agreement for the house at 815 Vershire Center Road. The draft lease will be forwarded to town counsel for review.

Meeting adjourned at 8:27pm.
