

Vershire Planning Commission minutes for 3/9/22 DRAFT

In attendance: Bill Baylis-Chair, Bob Perkins, Gene Sobeck, Eleanor Zue, Debra Kingsbury-Sec'y, Sande French-Stockwell-Dev Admin.

Baylis called the meeting to order at 7:36pm.

Minutes for 2/9/22 were reviewed and approved. Old Business: Notice of Violation at Taylor Valley Road. Sande will visit again and photograph to document current conditions of light trespassing. The Board asked if there were other violations issued at this time. She replied, none at this time and let's determine how the initial notice to this property owner gets resolved.

Bob expressed his concerns about the NOV process in general, as did Baylis and Sobeck. All agreed that compliance was the ideal result on this violation and any others that need to be corrected by this property owner or other property owners' in the future. Zue agreed and felt the need to explore/look into each situation.

Town meeting is scheduled for May 22nd and there will be numerous vacancies on this Board. Baylis is asking the current members to think about who might wish to take on this important task. It was also noted that Sande, as Dev Admin, was willing to still perform the Dev Admin tasks for a bit longer, but not after June 1st and that role needs to be filled. It is believed that Craft will be sending out a town newsletter soon and indicate all open positions to be either voted on at Town Meeting, such as members to the Planning Commission, and the paid position of Development Administrator that is appointed by the Selectboard.

Meeting adjourned at 7:58pm.
