

October 17, 2022

Minutes from the Vershire Town Center Committee Meeting Attendees:

Nicole White-Fogarty, Ken Bushey, Reva Seybolt, Caro Bick

Meeting called to order at 7:04

Nicole moved to accept the minutes from 9/19/2022 and Ken seconded.

Reva explained that the new Planning Commission is rewriting the town plan and has applied for a grant which will provide the board with an intern. They won't find out if their grant is granted until February. The process is already beginning looking at one section a month. They are looking to all town committees to add their feedback.

VerShare is planning a brainstorming meeting in the next month or so. Emma Martenis-Robiner will be heading up VerShare when Aaron steps down in January.

The Historical Society is looking into ARPA funds. Mark Harvey will write a short history of Vershire for the town website and a very short history of the Town Center for our web page, The Historical Society will have a tree lighting ceremony on December 11th at 4:30 pm. VerShare and the Mountain School will hold their annual Snowshoe-a-then on February 18

Nicole reported from the Select Board that the hall floor is on tap to be refinished at the same price Valley Floors quoted us almost a year ago. We will cover the canvas painting with a tarp to protect it. Nicole has a possible tarp. We won't redo the carpet on the stage.

Westshire Elementary is holding a Halloween Trunk or Treat affair

Andy is taking the books that are left in the hall from the harvest Festival to Burlington to the Salvation Army this week.

The Rec Committee is having an Ice Rink setting up event Nov 12, weather permitting. Together, we will offer a pot luck and also use the manpower to turn the picnic tables on their sides. We will set the picnic tables that are not good enough in front of the pizza oven for people to take away.

Reva talked about the piano concert by David Feurzeig. She will speak to piano tuners to see if one is available to tune the piano and set a date with David after finding out when a tuner can come. Then run it by the BoS, looking to a late winter date.

Pavilion news:

Reva is handling the Village Center Designation

Reva and Suzanne are attending a crowd funding zoom meeting on Wednesday to learn how to crowd fund.

Reva will look for more grants to apply for as well as build our fundraising plan in the next month.

Caro has completed the bid packet and will send it out tonight
It will be due on November 18

Reva reports that all of the picnic tables are varnished
We have until spring to figure out where we will store the windows

Caro moves to adjourn. Nicole seconds
