Rec Committee

Santa & Holiday Event went well. - Ken

We agreed to use some of the pavilion monies to purchase a new snowblower as it will support the access to the pavilion as well as clearing the skating rink.

We acknowledged the Rec Com's Long Term Wishlist: Play house, Sandbox with a cover, toddler playground and will add it to our long term planning thinking.

VerShare - Reva

Acknowledging that the Holiday Fair left the door open per Vern.

Reva suggested to Rec and VerShare that next year the Holiday Fair and Santa be on the same day

Vershire Historical Society

Reva will continue to press Gary to locate the info on the stage curtain so we can look for grants to have it cared for as needed.

Vershire Emergency Management Team

Reva went to the first meeting at the Firehouse and was impressed by the complexity of the needed plan. She told Andi and Eileen that she would like to be involved wherever the Town Center fits in.

Pavilion

Reva is still in touch with Steve to do the timer for the pavilion lights.

Reva went over the funds still available from the pavilion funds.

[Pavilion Town Actual Income and Expenses - November 2023](#)

Reva met with Richard Amore from Better Places to support their PR. In the conversation, he suggested the Historical Society follow up re their space needs and that the RecComm can get funding to present music and artists.

Budget this year

Nick presented a budget which was discussed:
