

2025 VTTC January Minutes

In attendance: Ken Bushey, Reva Seybolt, Nick Bennett, Caro

Bick Minutes By: Caro Bick

Meeting opened at 7:06

Caro moved to accept the minutes from the meeting in November
Nick seconded the motion. There was no meeting in December.

BoS Meeting report:

Nicole was not present . Reva presented the issue of whether the ditch and the exterior painting will go as a line item in the budget or as separate warrants. Reva reported that the Vershire Area Farmer's Market will be sending five people to help out on our Spring Clean up day.

Rec Committee report:

Kathy's \$50 k grant is due on Jan 31. Crossing fingers
Ken reported that there will be a skating party on January 25 from 1PM to 3PM
Canon Labrie will possibly be offering a Hockey clinic on Sundays

Energy Committee report:

David Hooke has a long list of requests that we went over briefly.. It all seemed to make sense as practical ways to save energy for the town. See agenda for the list.

VerShare:

Reva let us know that there was a glitch in VerShare's insurance (they were without) and that has been taken care of temporarily and will be permanently fixed in the future.

Renovations and Projects update:

There is a mouse problem. There was a lengthy discussion about the feasibility of having a cat live at the Town Center, but it soon became clear it was a dumb idea.

Web Page is on hold.

Rental Agreement and Housekeeping are on hold until the new clerk arrives.

Plans for 2025:

We hope to get the ditch done and the earth moved in front of the Pizza Oven (as part of the \$50k grant) so we can make the field, pavilion and ice rink more accessible.

Steve Ward will take one of the older picnic tables up to the top of the field where they set off the fireworks.

The toilet paper thing still isn't fixed. Reva will follow up with Uriah.
Revva will be meeting with the new SB assistant about the minor needs of the VTC.

8:00 Ken moved to adjourn and Nick seconded the motion.
